DriveTest Day Checklist

Indian licence to Ontario | Document preparation guide

Use this checklist before your DriveTest visit. Bring original documents and confirm current requirements. DriveTest makes the final decision about accepted documents, experience credit and test eligibility.

IDENTITY AND STATUS

- [ ] Original acceptable identification showing legal name and complete date of birth
- [ ] Valid Canadian immigration or status document, if required
- [ ] Evidence linking name differences across passport, licence or immigration records

ORIGINAL INDIAN LICENCE

- [ ] Original, valid Indian driver's licence
- [ ] Licence number, class, status and expiry date are legible
- [ ] Do not rely on a photo, ordinary photocopy or phone screenshot as a replacement

LICENSING HISTORY

- [ ] Authentication or licensing-history document issued within the last six months
- [ ] Issued by an authorized licensing authority, consulate, embassy or High Commission
- [ ] Shows official issuer identity, date first licensed, class, status and expiry date
- [ ] Shows your full name and identifying information

LANGUAGE AND TRANSLATION

- [ ] Licence and supporting records are in English or French
- [ ] If not, translation meets current MTO or DriveTest requirements
- [ ] Bring the original document together with its translation

VISIT PREPARATION

- [ ] Glasses or contact lenses needed for the vision test
- [ ] Accepted payment method
- [ ] G1 knowledge-test preparation completed
- [ ] DriveTest centre address and current hours checked

ASK DRIVETEST TO CONFIRM

- [ ] How many months of foreign experience were accepted?
- [ ] What is my earliest possible G2 road-test date?
- [ ] Which tests must I complete?
- [ ] Is any additional document or translation required?

RECORD THE DECISION

Experience accepted: _____ months

Earliest G2 date: _____

Tests required: _____

Follow-up documents: _____

Important: This is independent planning information. It does not guarantee acceptance, experience credit or a test date. Recheck requirements at ontario.ca and drivetest.ca before use.
